ONE PARISH, ONE FAMILY, ONE FUTURE

Dear Family,

When I recently visited one of our parishioners, I was surprised to realize that his home was the very same mobile home where my family first lived after we came to the United States. It brought back many memories. That small, two-bedroom home sheltered not only my parents and our family of seven, but also my grandmother, my uncles, and two of their friends. Twelve people shared that tiny space. It was crowded, yet it was filled with love, hope, and gratitude.

More than thirty years later, our family has grown, and by God's grace, we each have room to call our own.

Our parish has experienced a similar journey.

For more than 65 years, St. Maria Goretti Parish has been a place where faith has taken root, families have grown, and generations have encountered Christ. As our parish family continues to grow, our facilities must grow with it so that we can continue serving the needs of today and tomorrow.

One of the greatest blessings of our parish is our young people. I continue to be amazed by them. Even though many no longer speak their parents' native language fluently and live in a culture that often overlooks or misunderstands the Church, God continues to draw them to Himself. Week after week, they come to Mass, attend faith formation, and participate in youth activities. Their presence fills me with hope.

Today, more than 500 children are growing in faith at our parish. Their parents and I share the same dream: that one day they will no longer have to attend religious education classes in rented classrooms at Andrew Hill High School but instead learn about God's love in classrooms built within their own parish home. Just as previous generations sacrificed to provide a place of worship for us, we now have the opportunity to build a lasting gift for those who will follow us.

Our parish offices and ministry spaces have also reached their limits. As our ministries continue to flourish, we simply do not have enough meeting rooms. Many groups are forced to gather outdoors, enduring the heat of summer, the cold of winter, and the wind and rain. The new parish building will provide nearly three times the meeting space we currently have, allowing our ministries to grow and better serve our entire community.

This campaign is about much more than constructing a building. It is about creating a welcoming home where children can grow in faith, young people can discover their vocation, families can gather in fellowship, and every parishioner can find a place to belong. It is an investment in the future of our parish and in the generations who will one day call St. Maria Goretti their spiritual home.

I look forward to the day when we can walk through these new spaces together. On that day, I hope we will give thanks to God for His abundant blessings and rejoice that, through our shared sacrifice and generosity, we have helped build a faith-filled future for our children, our grandchildren, and all who will come after us.

Thank you for your prayers, your generosity, and your commitment to our parish family. Together, with God's grace, we can build a lasting legacy of faith for generations to come.

Campaign Case

As our parish family continues to grow, so too does the need for spaces that support worship, faith formation, fellowship, and community. After much prayer, planning, and discernment, we have identified several important projects that will strengthen our parish and better equip us to carry out our mission of evangelization for generations to come. Our campaign will focus on the following priorities:

- **Construction of a Brand-New Two-Story Parish Building**
- **New Parking Lot**

If we exceed the funding needed for these primary priorities, we also hope to pursue several additional enhancements that will further enrich our parish campus. These include:

- **A new face (façade) for the church**
- **A new cry room**
- **The addition of a bell tower**

These projects represent an investment not only in our campus but in the future of our parish community. By expanding our facilities and creating spaces where faith can be formed, relationships strengthened, and ministries flourish, we will be better prepared to welcome new families, serve our growing congregation, and continue sharing the Gospel for many years to come.

Project Scope

New Two-Story Parish Building - A new multi-purpose building will provide flexible space to meet the diverse needs of our parish.

- **First Floor - Ministry & Faith Formation Center:** Twenty flexible meeting rooms will support parish ministries, choirs, committees, and small groups throughout the week, while serving as classrooms for children, youth, and adult faith formation on weekends. During Mass, these spaces will also accommodate children's liturgy and faith-based activities.
- **Second Floor - Community Center:** A spacious, multi-purpose hall designed to host parish gatherings, receptions, educational programs, and ministry events, with the flexibility to serve as an alternate worship space when needed.
- **Parish Office:** A welcoming, efficient office that enhances service to parishioners while providing functional workspace for parish staff and daily ministry operations.

Expanded Parking & Outdoor Space

- **Expanded Parking Lot:** A new parking area with more than 400 spaces will improve accessibility, safety, traffic flow, and convenience while creating a welcoming entrance to the parish campus.
- **Green Space:** Landscaped outdoor areas will provide a safe, inviting place for children and families to gather, play, and enjoy fellowship.

Future Enhancements include:

- **A New Face to the Front of the Church** - A contemporary, welcoming, and pleasant view of the church.
- **A new cry room** - for parents to feel comfortable to participate at Mass with babies, equipped with baby supplies, games, and toys.
- **A Bell Tower** - creating a lasting architectural landmark and visible symbol of our Catholic faith and parish identity.

TOTAL Estimated Cost:
\$10 Million

Q. Why is St. Maria Goretti's Capital Campaign being conducted through the Diocese's Sowing Seeds of Faith Campaign?

A. The Diocese of San Jose has provided St. Maria Goretti with the opportunity to conduct our One Parish, One Family, One Future Capital Campaign through the Diocese's Sowing Seeds of Faith Campaign. By utilizing the Diocese's charitable trust and payment infrastructure, the parish benefits from professional gift processing, secure stewardship of donations, and efficient administration of pledges and payments.

Although gifts are processed through the Diocese, every donation designated for St. Maria Goretti's capital campaign will be used exclusively for our parish projects, including the construction of a new parish building and expanded parking. This partnership allows the parish to focus on advancing our mission while benefiting from the Diocese's administrative support.

Q. What happens if my circumstances change and I cannot fulfill my pledge?

A. Pledges are made in good faith and are accepted as such. If your circumstances change due to hardship, illness, or another unexpected situation, please contact the parish office so your pledge can be adjusted accordingly.
